

SUNBURST SCHOOL BOARD OF TRUSTEES MEETING

Tuesday, May 16, 2017

NTCHS LIBRARY

7:00 PM

1. Call the meeting to order & pledge to our flag
2. Approve/Revise/Amend Agenda Action 1
3. Consent Agenda Action 2
 - a. Approve Minutes from the April 18th Regular Board Meeting
 - b. Approve Minutes from the April 24th Special Board Meeting
 - c. Approve Minutes from the April 25th Special Board Meeting
 - d. Approve Minutes from the May 9th Special Board Meeting
 - e. Approve Minutes from the May 10th Special Board Meeting
 - f. Warrants, Payroll Approval & Warrants to Void
4. Business Manager's Report
 - a. Canvas Election Ballot
 - b. Administer Oaths of Office to Ray Christiaens & Marlana McAlpine
 - c. Reorganization of Board of Trustees (Elect Chairman & Vice-Chairman)
 - d. Appoint District Clerk
5. Public comments about items that are not on the agenda Discussion

The Board would like to remind everyone in attendance that public comment is for members of the public to give input on public matters, not personal issues. To avoid violations of privacy, a member of the public wishing to address the Board will NOT be allowed to make comments about any student, staff member or member of the public during his/her designated time to speak. In order to maintain order and to allow everyone the opportunity to speak, the chair may choose to limit an individual's time. By law, the district cannot take any action on matters that come up during public comment.
6. Transportation & Maintenance Coordinator's Report Discussion
7. Elementary Principal/Technology Reports Discussion
8. Athletic Director/Traffic Education Reports Discussion
9. Superintendent's Report Discussion
10. Negotiations Committee Report Discussion
 - a. Reorganize if necessary
11. Hiring Committee Report Discussion
12. New Business
 - a. Approve Out of District Contracts for three Kindergarten students
 - i. Lamb Family (PL) Action 3
 - ii. Fenger Family (HF) Action 4
 - iii. D'Ambrose Family (ED) Action 5
 - b. Approve 2017-18 Bus Routes Action 6
 - c. Approve increase in student rate for Drivers Education Action 7
 - d. Approve the K-6 and 7-9 Math Curriculum Purchases Action 8
 - e. Approve the bid from Remarkable Cabinets for the Science Lab Action 9
 - f. Approve Board Policy 5120 Update removing TB testing (ARM 37.114.1010 repealed) Action 10
 - g. Accept Resignation of Counselor Action 11
 - h. Approve Letters of Intent for current Certified Staff Action 12
 - i. Approve Contracts for current Classified Staff Action 13
 - j. Approve Letters of Intent for Fall Coaching Staff Action 14
 - k. Consolidation of Administrative positions Action 15
13. Next Regular Board Meeting—June 20, 2017 at 7:00 PM
14. Adjourn Action 16

School Board
Elementary Principal Report
May 16, 2017

1. Current enrollment: 80 in K-6
2. Preschool screening was held on Apr. 20. We have 6 students registered at this time for kindergarten that came to screening, but that number typically can grow. Three of those students are out of district.
3. MCT week was Apr. 24-28. We had 57 students participating this year in grades K-8. Thanks to Shawn and Ray for hosting a family. Thank you to my staff for preparing meals and helping with supervision and coverage. Thanks to Mrs. Ryan for playing and to Mr. Wilson and Mrs. Hauschulz for helping prepare the auditorium. Joe and Matthew, the MCT directors, had nothing but positive things to say about our kids and their experience in Sunburst. Thank you to the PTO for helping to sponsor this event as well. MCT costs \$2500 for them to come to our school.
4. Camfel Productions brought their massive 3 screen multimedia message to our students on May 1st about doing the right thing and making smart choices. The students really enjoyed this presentation.
5. We finished spring benchmarking with our easyCBM program (our district assessment) during the week of May 1-5. We had some great gains by our students this year.
6. Ag Day was held on May 3rd for our 3rd and 4th grade students. Thank you to Kim Suta and all of the presenters for coming and sharing their expertise with our students. They had a fun and educational morning.
7. May 4th was busy as the 5th graders had the annual puberty talk. Thanks to Kristi Aklested, our county health nurse, and Mrs. Kerfoot for doing the girl talk. I always have the pleasure of meeting with the boys. Also – the 4th graders had WOW day where they go to the HS and the HS ISI students under the direction of Mrs. Nix put on some awesome experiments. Thanks to those students and Mrs. Nix for showing off some awesome science principles to our students.
8. May 8-12 was Smarter Balanced Testing Week. Our students went through these long tests and gave it their best. Some of these tests took up to 4 hours for students to complete!
9. The 3rd/4th graders went on their field trip to Great Falls on May 10th. They visited the L & C Interpretive Center, went to the park, and went roller skating. A fun time was had by all.

Upcoming:

- May 18 – 5/6 to Helena (Capitol, MT Wild, etc.) – not overnight
- May 19 – 6th Shadow Day
- May 19 – 1st/2nd field trip to Shelby (planting, bowling)
- May 23 – Elementary Spring Program: K-2 @ 1:00; 3-4 @ 1:45; 5-6 @ 2:30
- May 24 – Town Clean-Up – approximately 12-1 (weather pending)
- May 24 – Play Day – approximately 1:20-3
- May 25 – Kindergarten train trip
- May 26 – End of year assembly – 9:00
- May 26 – Last day of school – dismiss at noon.

School Board
Elementary Principal Report
May 16, 2017

Technology:

- Last year I signed a 3 year contract with Schoolhouse IT for them to provide service to our district. They have done a great job and helped to make sure that our technology is working well and is seamless. They are very professional and have helped to ensure that the technology enhances education. We have the option of opting out of this contract, but my strong recommendation is that we continue our service with Schoolhouse IT. As long as we continue our service, no action item is needed.
- Overall – we have had minor hiccups that we continue to address, but overall, technology continues to just work.
- Jeff and I are looking at what possible technology purchases need to be made for the upcoming school year with the assumption that that order will be made, or at least billed, after July 1 so it occurs during the 17-18 fiscal year.

AD Report

Recommendation for Fall Sports 2017 Coaching Staff:

My recommendation to hire Football Coaches:

HS Head – Dean Lerum
Assistant HS – Garrett Hovland
JH Head – Jason Hanson
JH Assistant – Rostyn Pace

My recommendation to hire Volleyball:

HS Head – Kortnee Pace
Assistant HS – no recommendation at this time,
JH Head – Janna Tomscheck
JH Assistant – Missy Nau

My recommendation to hire Cross Country:

HS Head: Jeff Nix

State Golf:

Sean Rogers, Cody Hanson and Katara Ryan will be traveling to Seeley Lake May 15 -17

State Track:

State Track will be in Laurel, MT on May 25-27

Michael Buckley has automatically qualified for state in the High Jump clearing 6ft. He also is in first place in the Northern Division with a jump of 19 ft 4 in.

Cody Smith and Treyton Pickering are also top individual contenders.

4x100 and 4x400 boys relay team is also contending for state (Cody S, Jordan Williams, Mikey Buckley and Treyton Pickering).

10C JH Basketball

Season will consist of one Boys and one Girls team. Schools with enough players for multiple teams will schedule "JV" games on a school by school basis. There will be 12 total teams, with the schools split into a North/South division. Schools will play season weekend games against geographic schools that are close to them to reduce loss of travel and school time. The season contests will run on Fridays and Saturdays for 2018:

March 2,3
March 9,10
March 16, 17
March 23,24
Easter Break
Tournament starting first week of April 3-7
(format undetermined yet)

North	South
Sunburst	GFCC
Valier	Home Schools
Heart Butte	Cascade
Power	Foothills Christian
Dutton/Brady	Simms
Vaughn	Augusta

The schedule and division alignment will be voted and agreed upon @ September 6 meeting

The November jamboree season will no longer be associated with 10C JH basketball for the next school year. Schools are still encouraged to contact other schools interested to play games. Four Schools expressed interest (Simms, Power, GFCC, boys Dutton/Brady).

Traffic Ed Board Report

Raise Traffic Education price from \$125 to \$150.

\$200 for non-district enrolled students (summer class session only).

These are based on OPI recommendation and other "C" schools and Cut Bank charges.

Each year OPI gives an average \$100 per student back to schools.

Summer traffic ed class will be taught primarily by Kortnee Pace, it will tentatively run July 17 – Aug 18. I have two Cut Bank parents who want their children in the program. We need 6 students to cover cost of class:

70 hours – Traffic Ed Teacher

X \$20.46

\$ 1,432

\$150 – student pays

\$100 – average OPI pays

\$250 – Total

X 6 students

\$1,500

Tomorrow, May 17, we are meeting with parents interested in the program. Because of the size of the incoming class, we need to make changes in the program. As the Business Teacher, AD and Coach, I will no longer be able to be as flexible with driving times with students as Teri Iverson was. Therefore, I need to cap the class at 14 students for a year-long drivers ed course.

During the school year with the driving requirements of 42 classroom hours, 6 hours driving and 12 hours observing, a full year/two semester format will be required. Therefore, we will take the first 14 oldest students and give them the opportunity to sign up for the class. Because of this new change of circumstances, I am encouraging students to take summer school class.

School year break down:

Monday/Thursday: 48 minute class time X 2 days = 96 minutes

Block Day: 96 minute class

Friday: 40 minute class

Total hours in one week class: 232 minutes = 3.8 hours

Approximately 36 weeks (but not necessarily all 5 days long) - 3.8 hours X 36 = **136.8 hrs**

Using next year's actual school calendar:

1,103.4 hours of class time in next year's school calendar

1,103.4/8 periods in one day = **137.8 hours per period (class subject)**

137 hours – 42 classroom hours = 95 hours left for driving and observing

95 hours/14 students = 6.7 hours driving allotted for 14 students. We will need the .7 hour for each student in case of extra-curricular, sick absence or change in school day schedule.

12th	17	13	16	16	16	16	16	16	16	16	16
Total	160	158	159	165	164	164	162	164	166	164	164

PROJECTED ENROLLMENT FOR 2017-2018

K - 6

1st - 14

2nd - 10

3rd - 7

4th - 11

5th - 10

6th - 14

7th - 13

8th - 14

9th - 21

10th - 6

11th - 21

12th - 4

Total - 151

We know this will be very fluid as the summer comes and goes. This is what we know right now for certain. I believe we will be closer to 160 when we start up next year.

EXTRA-CURRICULAR STUDENT PROGRAMS

- State Music Festival students did very well!
- Special Olympics went to State May 16th
- ISEF is the week and we wish Cody Smith and Mrs. Nix well and good luck!
- State Golf is this week. We had 3 students qualify.
- Track and Field is Memorial Day weekend (after graduation)

Summer & Fall Driver Ed
Proposal

Box 710

Sunburst, Mt. 59482

April 7, 2017

RE: Driver Education Summer Program/~~FALL FULL SCHOOL YEAR PROGRAM~~

Dear Parent or Legal Guardian

There will be a MANDATORY parent/legal guardian meeting on May 15 at 6:00 p.m. in the ITV room at North Toole County High School.

Your son or daughter is age ready and qualifies to apply for the summer driver education program.

This program will last from July 17, 2017 to August 18, 2017. Your student must attend all classroom days and not miss a session of drive time. If an emergency should arise, then this must be approved by the supervising instructor. No more than 1 miss would be allowed before the student would be removed from the class and all fees would be non-recoverable.

The hours for the class will be 8:30 a.m. to 12:00 p.m. for group one and 12:30 p.m. to 4:00 p.m. for the second group.

The fee for this class will be \$150 to be paid at the May 15 meeting.

We will also run a full school year course starting in the fall, for a maximum of 14 kids. This class will also be at \$150. Both summer and fall session must have the same standards of 42 hours of classroom study and 6 hours of drive time, with up to 12 hours of observation. Observation is collected as they ride in the car with other students. The students in this session will be received on a age related basis of oldest first.

During this class, your student will be given the State Knowledge Test, and if this is passed, will be issued a Learners Permit, at which time they will then be able to drive with a parent or legal guardian or someone over 18 as permitted by the parent. It is important that you understand the legalities and all ramifications still lie at the feet of the parents. This will be a new implantation, per our legislative body, as of this year. It will be up to the instructor to determine if the student will be given the driving test or will have to go to the Driver Examiner when their first 6 month license is over.

If your student should fail the written test, it will be up to the instructor to decide if they will give the test one more time. They may choose to have the students that fail this test go to the examiner for re-examination. This would mean your student will not be able to drive with you during the Driver Ed. process.

Again, the meeting on May 15 is **MANDATORY**. If a parent or legal guardian is unable to attend, then the student will not be allowed to take the summer session.

If you have any questions, please call 406-937-2811.

Sincerely,

Christina Barbachano, Superintendent

Fran from OPI recommended we up to \$150, the average price most schools charge (Cut Bank \$150).

Requirements:

42 hours in classroom
12 hours in observation
6 hours in driving

Summer: July 17 to Aug 18 \$150

Minimum 6 students

School: Full school year – maximum 14 kids \$150

29 minutes or 3 hours 50 minutes in a week of one school period.

3.8 hrs x 12 weeks to get 42 classroom hours.

3.8 hrs x 24 weeks = 91.2 hours / 14 students = 6.5 hours driving

SUNBURST SCHOOL DISTRICT #2

P.O. BOX 710
SUNBURST, MONTANA 59482

5-12-17
JNL

The Sunburst Elementary Math Curriculum team of Missy Nau (Kindergarten), Janna Tomscheck (1st grade), Kortnee Pace (2nd grade), Kim Bloch (3rd/4th math), Dana Pace (5th/6th math), and Dan Nau (principal) were tasked with looking for a new math program that we felt would best meet the needs of our students. The team met consistently and devoted a lot looking at math programs.

The curricular team looked at three different math programs. When we started this process, we came up with four essential components:

1. The program must have a strong technological and digital component.
2. The program must have strong core math skills.
3. The program must be aligned with our Golden Triangle Curriculum.
4. The program must touch on concept areas multiple times to build strong mathematical skills.

Our team deeply looked at each of the different programs to try and determine the program that would best meet the needs of our K-6 students at Sunburst Elementary. We studied each program as well as reached out to other schools to find their thoughts and ideas about how they liked using each program. We also did some research and had the opportunity to “play” with each program.

After a lot of time and work put in by the math curriculum team, we recommend the purchase of the Envision 2.0 Math Series by Pearson. Although we could not get a lot of feedback from the program as it was just released in 2016, we were very impressed by what it offered and felt it best aligned with the goals we had for a strong math program that are listed above.

In order to properly implement the Envision 2.0 program, we feel that it is essential that all math teaching staff receive professional development. Thus, we would recommend two days of in-person training from a qualified person from Pearson so we can best learn to use and utilize all of the components and tools offered in the Envision 2.0 Math Series.

Lastly, we do plan to continue to supplement this math program by continuing to use Rocket Math (paper and pencil skill mastery) in all grade levels and Think Through Math in grades 3-6.

Program Activation Training this training is presented via virtual webinar at no cost. The Program Activation Training Session will ensure the participants will be able to:

- Navigate through print and digital features (if applicable)
- Understand lesson structure and planning options
- Identify CCSS (or state/college and career) support
- Identify differentiated instruction opportunities
- Understand assessment and progress monitoring options

Implementation Essentials Training Session: This is highly recommend. This is onsite training (6hr) for \$2,800. This training is designed to support educators in implementing the program with fidelity. Participants dig into the components, instructional design, and structure of the program. Participants will practice applying specific features and design elements (including instructional philosophy, lesson structure, and content) to classroom practice through hands-on activities and observation of a demonstrated lesson. Participants will receive a prescriptive, week-by-week implementation training plan to use following the workshop that can be customized to their needs.

OUTCOMES:

By the end of the training, participants will be able to:

- Apply best practices for usage and recommended implementation strategies.
- Effectively integrate print and digital program components into instruction.
- Utilize specific program design knowledge to inform instruction and frame classroom practice.

4
5 Hiring Process and Criteria

6
7 The Superintendent is responsible for recruiting personnel, in compliance with Board policy, and
8 for making hiring recommendations to the Board. Educational support applicants will be initially
9 screened by the principal or the appropriate supervisor. The District will hire highly qualified
10 personnel consistent with budget and staffing requirements and will comply with Board policy
11 and state law on equal employment opportunities and veterans' preference. All applicants must
12 complete a District application form to be considered for employment.

13
14 Every applicant must provide the District with written authorization for a criminal background
15 investigation. The Superintendent will keep any conviction record confidential as required by
16 law and District policy. Every newly hired employee must complete an Immigration and
17 Naturalization Service form, as required by federal law.

18
~~19 Every newly hired employee must provide the District documentation of the results of a
20 tuberculin skin test done within the year prior to initial employment, along with the name of the
21 tester and the date and type of test administered, unless the person provides written medical
22 documentation that he/she is a known tuberculin reactor.~~

23
24 Certification

25
26 The District requires its contracted certified staff to hold valid Montana teacher or specialist
27 certificates endorsed for the roles and responsibilities for which they are employed. Failure to
28 meet this requirement shall be just cause for termination of employment. No salary warrants
29 may be issued to a staff member, unless a valid certificate for the role to which the teacher has
30 been assigned has been registered with the county superintendent within sixty (60) calendar days
31 after a term of service begins. Every teacher and administrator under contract must bring their
32 current, valid certificate to the personnel office at the time of initial employment, as well as at
33 the time of each renewal of certification.

34
35 The personnel office will register all certificates, noting class and endorsement of certificates,
36 and will update permanent records as necessary. The personnel office also will retain a copy of
37 each valid certificate of a contracted certified employee in that employee's personnel file.

Dear Board of Trustees,

I am writing to inform you of my resignation as Sunburst School District K-12 Counselor. It has been a pleasure and a joy to work with ALL students, and I will miss them tremendously!

Should you have any further questions regarding my resignation, I would be happy to answer them. If I can be of help during this transition, please let me know.

Sincerely,
